

नमामि
गंगे

Namami Gange Programme - At a Glance

An aerial photograph of Varanasi, India, showing the Ganges river, ghats, and dense urban development. The river is filled with numerous small boats, and the ghats are crowded with people. The city buildings are visible in the background, extending to the horizon.

Ganga covers 26 % of India's total landmass

Contributes 28% of India's water resources

India's 43% population depends on its water

Making fertile India's 57% of agricultural land

Habitat for 143 different freshwater fish species

Ganga River Basin – Fact Sheet

11 states in the Ganga Basin
with 5 on main stem

Total length of river is 2,525 km
with longest stretch of 1,000 km
in Uttar Pradesh

Catchment area of the
basin is 8,61,404 km².

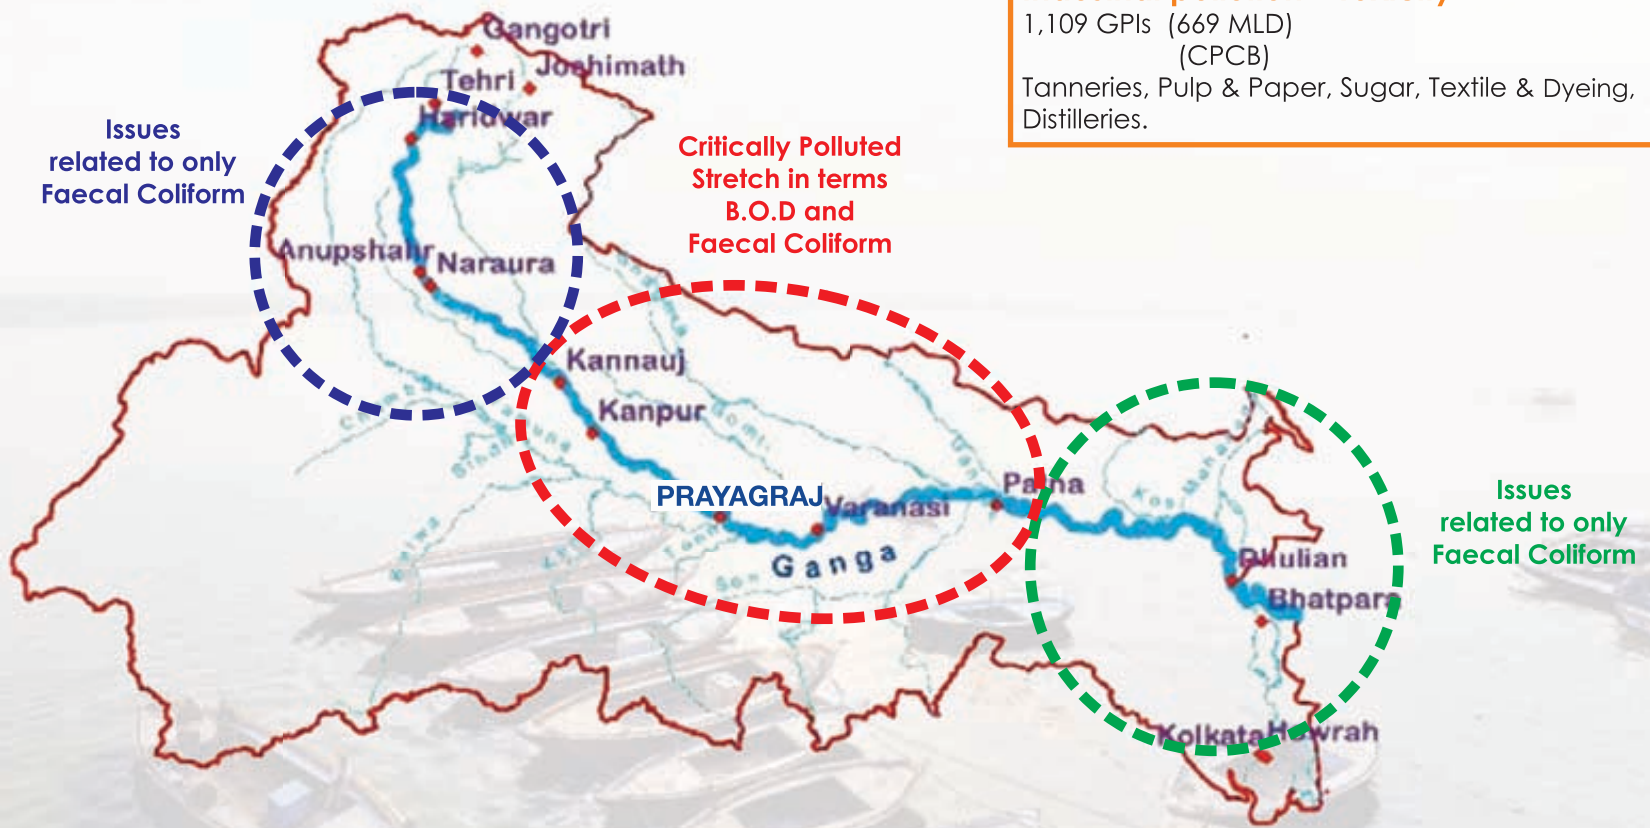

Pollution in River Ganga

Sewage management

2,953 Million Litres sewage generated by 97 towns on the main stem everyday
155 large Drains discharging in Ganga

Industrial pollution – Toxicity

1,109 GPIs (669 MLD)
(CPCB)
Tanneries, Pulp & Paper, Sugar, Textile & Dyeing, Distilleries.

Major Polluters

**Municipal
Waste Water
(Sewage)**

**Industrial
Pollution**

**Solid
Waste**

**Non Point
sources**

**Non-point source
pollution**

Agricultural run-off,
open defecation,
pious refuse, partially
cremated bodies,
associated materials,
etc.

A VISION... LEADING TO A MISSION

- ✓ For the first time, a separate Ministry established for Ganga Rejuvenation (July 2014)
- ✓ Collaborative action taken for converging multiple agencies under one roof – Central Ministries as well as State Governments
- ✓ Comprehensive approach, bringing Ganga and its tributaries under one umbrella
- ✓ Ganga River Basin Management Plan developed by consortium of IITs (Jan 2015)
- ✓ NAMAMI GANGE is approved as flagship programme with a budget outlay of ₹ 20,000 crore (May 2015)
- ✓ National Mission for Clean Ganga, an implementing arm is declared as an Authority under Environment Protection Act, 1986 (Oct 2016)
- ✓ Establishments of state and District Ganga Committees. (June 2017)
- ✓ Notified the minimum environmental flow for river Ganga at different stretches. (Oct 2018)

VISION

The Vision for Ganga Rejuvenation constitutes restoring the wholesomeness of the river defined in terms of ensuring “Aviral Dhara” (Continuous Flow), “Nirmal Dhara” (Unpolluted Flow”), Geologic and ecological integrity.

7 Thrust areas and 21 Action points

Aviral Dhara	Nirmal Dhara	River Front Development	Capacity Building	Research and Monitoring	Protection of aquatic flora and fauna	Awareness Creation
<p>1. Determine and maintain environmental flow</p>	<p>2. Upgrade existing Sewage Treatment Plants</p> <p>3. Creating additional treatment capacity</p> <p>4. Industrial pollution abatement</p> <p>5. Development of ‘Ganga Grams’</p> <p>6. Managing agricultural run-off</p> <p>7. Development of model dhubhi ghats</p> <p>8. Creating model cremation ghats</p>	<p>9. River Front Development</p> <p>10. Public Amenities in selected towns</p> <p>11. Ganga Task Force</p>	<p>12. Support for DPR Preparation</p> <p>13. Capacity Building</p>	<p>14. GIS and Spatial Planning</p> <p>15. Research projects</p> <p>16. National Ganga Monitoring Centre</p> <p>17. Ganga Knowledge Center and Ganga institute of River Sciences</p>	<p>18. Afforestation drive of medicinal plants and native tree species</p> <p>19. Conserving diversity of Gangetic aquatic life</p>	<p>20. Ganga vichar manch, Ganga prahari, Ganga mitra.</p> <p>21. Communication and Public Outreach Activities</p>

Status of Existing Sewage Infrastructure & Interventions

97 towns on Ganga Main Stem

Sewage Generation : 2953 MLD (Yr. 2016), 3603 MLD (Yr 2035)

Available Treatment Capacity (31/03/2019) **92 STPs-1794 MLD** in 50 Towns

Activities for Kumbh in Prayagraj

A. Kumbh 2019

- (i) Toilets – Financial assistance of Rs. 113 crore for 27,500 toilets & 20,000 Urinals
- (ii) Solid Waste Management - Financial assistance of Rs. 3.6 crore for 16,000 dustbins & lining bags
- (iii) IEC activities –Rs. 16.68 crore for various IEC activities including Paint My City
- (iv) Bioremediation of drains – Projects have been sanctioned for 53 drains for bioremediation/Phytoremediation for 6 months in view of Kumbh.

Namami Gange Stall in Kumbh, Prayagraj

B. Ghats & Crematoria

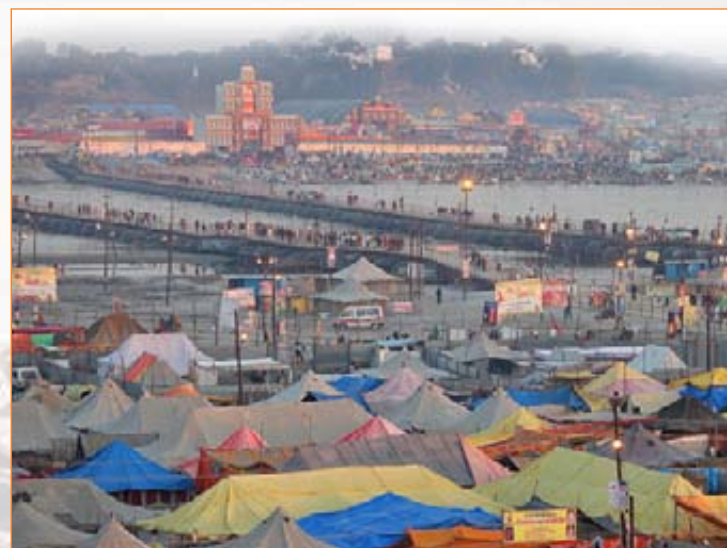

6 ghats and 3 crematoria sanctioned at Rs. 88.03 crores. Works on 6 ghats completed.

C. River Surface & Ghat Cleaning

Trash skimmer has been deployed for collection of floating trash from the river surface. A project for regular cleaning of 21 ghats has been sanctioned for Rs. 3.3 crore.

Ganga Task Force

Ganga Task Force deployed for Kanpur, Allahabad and Varanasi, with battalion headquarter at Allahabad for plantation of trees, patrolling of ghats and river banks monitoring, river pollution, public outreach programmes, etc.

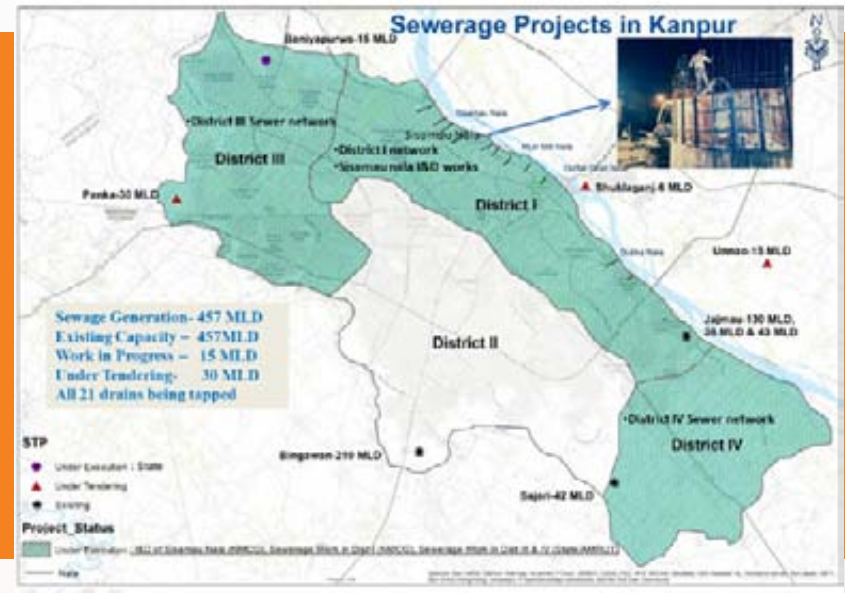

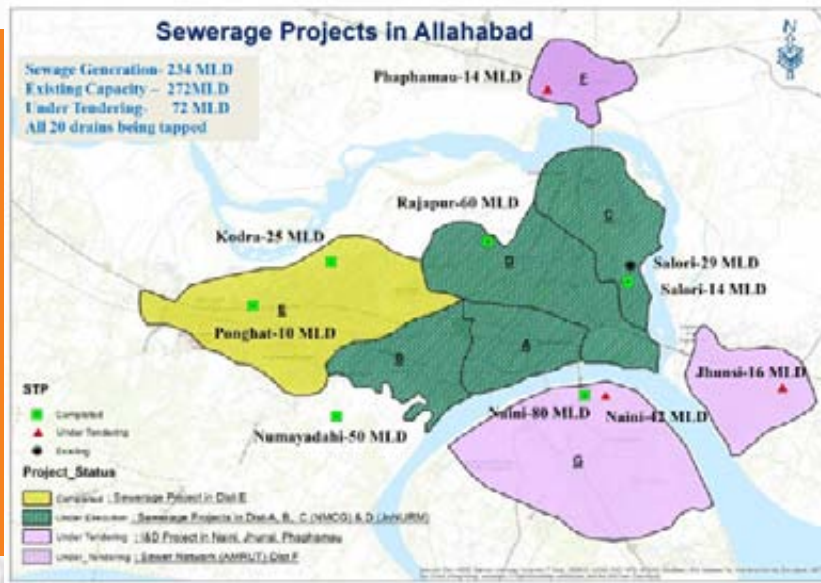

Glimpse of Kumbh, Prayagraj

New Initiatives

“One City One Operator”- Existing STPs in towns such as Kanpur, Prayagraj, Mathura, Patna, Kolkata, Howrah-Bally-Kamarhati-Baranagar, Bhagalpur Farrukhabad, Mirzapur, Ghazipur, Agra, Bareilly, Burdwan, Durgapur, Asansol are being integrated with newly sanctioned projects in these towns and tendered under Hybrid Annuity based PPP mode. STP Project at Mathura, Farrukhabad, Prayagraj, Howrah, Bally, Kamarhati, Baranagar and Kanpur have been awarded . Tenders have been received for Moradabad and Patna. For remaining towns tenders have already been invited.

Recycle and Reuse of waste water - NMCG has entered in an MoU with IOCL for development of 20 MLD Tertiary treatment plant (TTP) for supply of treated waste water to Mathura Refinery of IOCL. IOCL to share full O&M cost and partial capital cost of TTP through water tariff.

Focus on 10 major towns (Haridwar, Kanpur, Prayagraj, Varanasi, Farrukhabad, Patna, Bhagalpur, Kolkata, Howrah and Bally) contributing almost 64% of total sewage discharge in River Ganga. In these towns additional 1094 MLD sewage treatment capacity is being created at a cost of Rs.10,137 Cr.

Annual inspection of GPs through technical institutions in a time bound manner.

New Initiatives - Hybrid Annuity Model (HAM)

- Construction - linked payments of 40%
- Balance 60% paid over the term of the contract subject to compliance with performance specifications.
- 15 years' O&M provided into the contract
- Incentives built in for performance as well as energy efficiency

Haridwar

- Uttarakhand PeyJal Nigam
- 68 MLD STP at Jagjeetpr and 14 MLD
- STP at Sarai
- Site fencing & internal roads

Varanasi

- Uttar Pradesh Jal Nigam
- 50 MLD STP at Ramana
- Rehabilitation of pumping station, rising main
- Bund, boundary wall & effluent disposal Pipeline

New Initiatives - Tributaries

Upcoming projects on tributaries - 68 towns in 7 states on 31 tributaries

Intervention of Priority Drains

Assessment of Priority drains completed

215 drains covered under 151 sewerage projects

15 Bioremediation projects

20 drains considered for Modular STPs

Industrial Sector Development

Tannery

CETP approved at Jajmau (Kanpur) at the cost of Rs. 554 Crore with adoption of cleaner process and reduced water consumption.

Paper and Pulp

Zero black liquor discharge achieved. Estimated reduction in the fresh water consumption and effluent generation are about 45-50% as compared to 2012.

Distillery:

Zero liquid discharge achieved in 32 molasses based distillery.

Sugar:

Effluent generation reduced from 400 to 200 litres per tonne of cane crushed.

Textile:

Most of the units are in process of **upgradation of exiting ETPs/ installation of new ETPs/CETPs.**

6.25 MLD CEPT sanctioned at Mathura

Water Quality Monitoring Stations

44 Real Time
Water Quality Monitoring Station
are operational to keep water quality

Afforestation

FRI, Dehradun has prepared afforestation plan of 1,34,106 hectare at an estimated cost of ₹ 2294,Crores.

2016-2019		
State	Area in ha.	₹ Crore
Uttarakhand	11,876	63.99
Uttar Pradesh	4,942	40.51
Bihar	3,254	45.62
Jharkhand	848	20.13
West Bengal	5899	29.73
Total	26,810	199.98

- Uttar Pradesh “Haritima Abhiyan”:
To provide **common platform** for all to participate so that the campaign for Cleaning Ganga is promoted as a massive **Jan Andolan**.
 - Sponsorship of awareness activities
 - Plantation by Institutions/Industries/NGOs/ Citizen Groups on Common Lands
 - Adoption of Ganga villages by Corporates/Institutions
 - Budget: State – ₹ 71 cr. Centre – ₹ 164 cr. Total ₹ 235 cr

Ganga Task Force

A battalion of 532 ex-servicemen is engaged in creating public awareness, tree plantation, participating in campaigns and patrolling Ganga river for biodiversity protection and monitoring river pollution.

Ganga Vichar Manch

Ganga Vichar Manch is actively involved in public outreach activities, tree plantation and ghat cleaning.

Afforestation

Biodiversity

- Biodiversity conservation to study restoration & rehabilitation of the aquatic environment of *River Ganga*.
- Assessment of Fish & fisheries in Ganga river system for developing sustainable conservation & restoration plan.
- *Jalaj*: Innovative step of Ganga Praharis to combine livelihood improvement with Aquatic life and Ganga conservation.

Ganga Praharis are self-motivated individuals who will mobilize others in Ganga conservation efforts. The Ganga Praharis are being trained for ecological monitoring of ganga river and its biodiversity, tree plantation techniques, awarness generation and community mobilization.

Public Outreach & Mass Awareness Campaigns

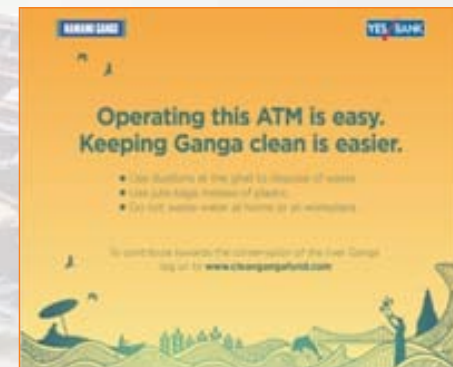

Ganga Swachhta Pakhwada: Ganga Swachhta Pakhwada was organized as an Initiative to augment community awareness and public consciousness towards Ganga cleaning through various shramdaan / cleanliness drives, community interaction/ Ganga Chaupal, padyatra, awareness camps/rallies, nukkad nataks, swacchhta pledge, symbolic plantation, workshops/ interactive seminars, competitions such as Paint My City Campaign, Mera Ghat Sab Saaf, slogan/ Essay writing and sports activities including boat race, sand art and rangoli etc.

Namami Gange exhibition during World Environment Day: NMCG has set up an exhibition to observe World Environment Day through innovative technologies and interactive displays like touch screens, demo models, Ganga Quiz and Bhuvan Ganga App.

Launch of 'Clean Ganga' Messages in Bank ATMs & Branches: As first-of-its-kind initiative NMCG partnered with the banking set-up - YES, HDFC & UCO Bank to reach out to people at large through the bank's extensive reach to engage them in the Clean Ganga Mission.

Mission Gange River Rafting Expedition: NMCG organized 1500 KM, month-long river rafting expedition 'Mission-Gange' led by acclaimed First Indian Women Everest Climber, Ms. Bachendri Pal traversing through major towns with stopover at 8 towns namely- Bijnore, Narora, Farukhabad, Kanpur, Praygraj, Varanasi, Buxar and Patna. The team also visited multiple schools and academic institutions and conducted interactive sessions.

International Science Festival: NMCG set up pavilion in International Science Festival through interactive working models and touch screens.

Bal Ganga Mela was organized through outdoor engaging and day-long interactive and participatory activities to make children environmentally aware, foster respect for the natural environment and to motivate children to become ambassadors of change. Over 500 children participated in the mela.

The Great Ganga Run: Marathon organized for Women and Girls on the occasion of International Women's Day at Varanasi. Approximately 5000 schoolchildren, colleges and locals and volunteers participated.

Theatre Promos: Theatre promo on Namami Gange programme screened in digital theatres in approximately 1500 theatres across 5 Ganga Basin States, Delhi-NCR and Haryana.

Outdoor Publicity and information dissemination through advertisements, other IEC and hoardings on/near Ghats and at the strategic locations in various cities.

नमामि गंगे

जय जय गंगे,
नमामि गंगे,
नहीं रुकेंगे,
हम स्वच्छ करेंगे,
जय जय गंगे,
नमामि गंगे,
नहीं रुकेंगे,
हम स्वच्छ करेंगे

तू युग युग से बहती आई,
तूने ही हमको पाला है,
तेरी उँगली पकड़ चलना सीखा,
जीवन तूने ही सम्भाला है,
तेरा कर्ज़ चुकाना है हमको,
कर्तव्य निभाना है हमको

हम तुझसे लेते आए हैं,
पर अब तेरी पीड़ा हरनी है,
करनी है निर्मल लहर लहर,
तेरी सच्ची पूजा करनी है,
तुझे शीश झुकाना है हमको,
कर्तव्य निभाना है हमको।

जय जय गंगे,
नमामि गंगे,
नहीं रुकेंगे,
हम स्वच्छ करेंगे,
जय जय गंगे,
कर्तव्य गंगे,
नहीं रुकेंगे,
हम स्वच्छ करेंगे

Namami Gange Song:

Written by: Shri Prasoon Joshi

Composed and Sung by: Shri Shankar Mahadevan

**GNAMAMI
GANGE**

The logo features the text "GNAMAMI" on the top line and "GANGE" on the bottom line, both in a bold, blue, sans-serif font. A small orange circle is positioned between the 'M' and 'A' in "GNAMAMI". The bottom portion of the "GANGE" text is rendered with a wavy, water-like reflection effect, suggesting the text is floating on or reflected in water.

NAMAMI GANGE

INTEGRATED GANGA CONSERVATION MISSION

It is a national mission encompassing every Indian, residing in the country or aboard. Now we shall join hands with this mission and continue to swear forever by our mother Ganga
"Ganga Maiya Ki Kasam"

CLEAN GANGA NOW AND FOREVER
