HMWSSB introduces

Daily Water Supply in core areas of GHMC!

HMWSSB introduces Daily Water Supply to the households in the core areas of GHMC after many years of alternate day supply. With this the total daily water supply will be 328 MGD. This massive effort will benefit over 3.6 lakh connections in the erstwhile MCH areas and a part of LB Nagar. In other areas, alternate day water supply will continue. The Board plans to augment water supply further, with River Godavari as a source to provide 510 MGD in three phases for daily water supply to all GHMC areas.

- Water supply of 328 MGD from all sources including Krishna
- Existing Supply timings will be continued for alternate day supplies
- A total of 479 O&M works to strengthen Distribution Network were taken up at a cost of Rs.75 crore to achieve daily water supply
- Ring Main II completed with the assistance of JnNURM at a cost of Rs.81.20 crore
- Upgradation of capacities of pumps and motors done
- For sustainability, Rs.9.9 crore SCADA system being introduced to monitor the water flow and reservoir levels real time
