This video, which won the AP Government's Golden Nandi Award in 2001-02 for the best TV documentary, is about the efforts in Veilpur mandal, Nizamabad, Telangana to eliminate Child labor.

The best thing about this endeavour is that even after 19 years not a single child is out of school here. The Community ensures that all children in the mandal go to the schools. As a recognition of this feat, Sri Asok kumar, Additional Secretary in Ministry of Jal Sakthi was the chair of the technical session on the 12 June 2020, World Day Against Child labor function organised by Ministry of Labor and Employment, GoI. The function was attended by Minister for Labor, Country head, ILO, and Nobel laureate Sri Kaliash Satyarthi among others.
